PURSUANT TO 37 C.F.R. §§1.97 AND 1.98

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicants submit herewith Form PTO-1449, "Information Disclosure Citation." Pursuant to the Notice from the U.S. Patent and Trademark Office ("PTO") dated July 11, 2003, the PTO has waived the requirement under 37 C.F.R. 1.98(a)(2)(i) requiring submission of a copy of each cited U.S. patent and each cited U.S. patent application for applications filed after June 30, 2003, and for all international applications entering the national stage under 35 U.S.C. Sec. 371 after June 30, 2003. Therefore, we are not enclosing copies of the listed U.S. patents and U.S. patent applications. Applicants enclose a copy of the two references list under "Other Prior Art."

Applicants are submitting this art because they recognize their duty to disclose pursuant to 37 C.F.R. §1.56. However, submission of this art and Statement is not an admission any item identified contains matter anticipating the invention or rendering the invention obvious to a person of ordinary skill in the art. Further, Applicants believe none of the art submitted herewith, alone or in proper combination, discloses, teaches, or suggests the invention claimed by Applicants.

The citation of a reference is also without admission that the reference is sufficient to teach one of ordinary skill in the art how to make or use the subject matter thereof or that the reference is, or is considered to be, material to the patentability as defined in 37 C.F.R. §1.56(b).

Moreover, submission of these patents is without admission any of the patents constitutes statutory prior art or has an effective date prior to Applicants' effective date of invention.

Applicants specifically reserve all rights of privilege and confidence with respect to this matter. A submission of this document is not to be construed as a waiver of those rights. In addition, the filing of this Statement is not to be construed as a representation a search had been made by Applicants or counsel.

Please charge any additional fees associated with this Communication or credit any overpayment to our Deposit Account No. 23-0280.

Respectfully submitted,

Date: 28 April 2004
